RIMS 80 Chapters provide the global risk management community with a local network, offering regionally specific educational programming and events. Chapter leadership roles offer valuable volunteer opportunities to support the profession's advancement and to further members' careers. RIMS Committees, Councils and Advisory Groups also offer important volunteer opportunities. These include:

- Committees: Annual Conference Programming, Audit, External Affairs, Finance, Member and Chapter Engagement and Nominating & Governance
- Councils: Diversity & Inclusion Advisory, Exhibits Advisory, International, RIMS Canada, Standards and Practices, Strategic & Enterprise Risk Management and Student Advisory
- Advisory Groups: Rising Risk Professionals and groups in China, India and Singapore

RIMS-Certified Risk Management Professional (RIMS-CRMP) certification

The certification demonstrates achievement of risk management competencies, knowledge and commitment to quality. It is a standard of education, experience and ethics that the discipline requires. The exam is computer based, and available at Pearson VUE test centers. The RIMS-CRMP holds official accreditation from ANSI under ISO/IEC 17024:2012 – the only risk management certification in the world to earn that status.

Opis, the RIMS Information Network

The online network gives RIMS members access to content while allowing them to exchange information, collaborate, build their professional network, strengthen skills and connect with a mentor. It is exclusively a member-only benefit. Available on desktops and mobile devices.

RIMS Benchmark Survey™

The survey is the leading source of market intelligence, capturing information on the state of the insurance marketplace. It provides an independent fact-based review of the cost of risk to insurance purchasers by industry and lines of coverage.

RIMS Risk Maturity Model for Enterprise Risk Management

An online resource that provides standardized criteria by which organizations can evaluate and improve their approach to ERM. It features a real-time assessment and generates a personalized ERM maturity report.

RIMS Risk Management Professional Growth Model 리스크관리 전문 성장 모델

The model provides guidance on the characteristics and skills needed to better define the role of a risk professional, and identify the tools that may be leveraged in order to improve performance and advance one's position and career to the next level. Employers can use the model for the organization's hiring and job evaluation process.

RIMS Risk Management Compensation Survey 리스크관리 영역 종사자 임금(급여수준) 조사

The survey provides information to ensure that a company's compensation strategy aligns with current salary and benefits in the highly-competitive risk profession. It is published every two years.

Publications 출간 발행물

Risk Management magazine is delivered 10 times a year to more than 18,000 readers and is the premier source of analysis, insight and news for business executives charged with risk management responsibilities.

Risk Management Monitor blog provides regular risk-related content in the form of original stories, live event updates, news commentary, interviews, podcasts and videos.

RiskWire delivers important industry news and updates from the Society to subscribers via email two times a week. RIMSCast, the Society's podcast series, features interviews with RM leaders from around the world.

Content, Educational Programming 교육 프로그램

RIMS develops Executive Reports, Surveys, Podcasts and Studies – and accepts reports from industry partners – throughout each year that explore risk management trends and the profession's greatest challenges. The content is housed in RIMS Risk Knowledge library, while some can be purchased in the online RIMStore. Additionally, RIMS continues to expand its educational offerings including in-person workshops, webinars, online courses and in-company training.

RIMS Advocacy 지지

RIMS Advocacy is guided by the RIMS mission to advocate for the global risk management community. RIMS advocates on behalf of risk professionals worldwide to Members of Congress, federal agencies, state legislative and regulatory bodies, and international regulatory authorities. RISK PAC, RIMS Political Action Committee, supports the campaigns of U.S. Congressional leaders who support RIMS' legislative priorities.

RIMS Annual Conference & Exhibition

The international risk community's leading educational and networking event. The conference attracts more than 10,000 business executives, brokers, insurers and solution providers for the ultimate learning experience.
